Note from the President:

Over the last few months The Society has been busy hosting many events ie; Archery and Trap shoots along with the Building fund raffle all have been very beneficial for the Society. We have faced many challenges in the past year , but are continuing on.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions. I look forward to seeing you all .

We would like to welcome 13 new members. Reminder to sponserers it is your responsbliity to notify your new member, dues must be paid before November meeting for acceptance. All regular members reminder that your annualy dues are due before the gavel drop of our October meeting

I would just like to thank everyone who has helped out in the past year. We will continue on and support any guidelines as they change.

Hope to see you all there

GC President
Craig
