***Note from the President:***

Over the last few months The Society has been busy hosting many events ie; Archery and Trap shoots along with the Building fund raffle all have been very beneficial for The Society. We have faced many challenges in the past year , but are continuing on.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions. I look forward to seeing you all .

We are currently working hard on plans for our pole barn build this spring. We just finished another raffle for the barn donations. We are working hard to keep costs down, and support events to help us become successful in making our pole barn a reality.

We would like you all to join us at our fishing derby, family picnic and other events. It is a great way to meet other members. Also please consider donating time to any event.

Hope to see you all there

GC President  
Craig
