**Note from the President:**

Welcome to all new members. As time goes by. We have changed. It has been unfortunate that we lost members due to the increase of dues to maintain our club. I however look forward to this upcoming year. We will be discussing our pole barn plans for spring build at our next monthly meeting on January 31<sup>st</sup>.at 7:30pm at our club house.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions.

We would like you all to join us at our fishing derby, family picnic and other events. It is a great way to meet other members. Also please consider donating time to any and all events.

Hope to see you all there

GC President  
Craig
