**Note from the President:**

It is important that the membership of the Society have the knowledge of discussions and events. Therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions.

Summer is finally here the grounds have been well manicured by our ground keepers Dave/ Wayne Grace among many others. Thanks to their hard work Glen-coe looks great. The camp-grounds are open to all members. Fishing has been great, come on down and enjoy our club.

I would like to take this time to thank all of our members that participate in club events that generate funds for the society. With out events like our Archery shoot, Trap shoots and raffles the club would be in the Red. These event's don't run themselves they require dedicated members to organize and run. I know some of these members have been doing this a long time and deserve Thanks. More of our membership should help with these events as it is these events that keep our yearly dues at there present rate. If anyone wants to know the dates and times of these events they are posted at the club and on our web site [glen-coeconservationsociety.com](http://glen-coeconservationsociety.com)
