***Note from the President:***

Over the last few months The Society has been busy hosting many events ie; Archery and Trap Shoots along with the Building fund raffle all have been very beneficial for The Society. I would thank all who participated in these events. Over the next few years The Society will be Constructing a pole barn and draining the silt pond. These events will help finance both of these.

It is important that the membership of the Society have the knowledge of discussions and events Therefore, it is highly recommended that you be present at the monthly meetings to discuss these Issues and help with solutions. I look forward to seeing you all there.

GC President  
Craig

The Society would like to give our deepest condolence to the Clilson Family . Robert Sr will be missed by all of us.
