News Flash we have a New Web site [Goggle Glencoeconsevation.com](http://Goggle.Glencoeconsevation.com)

Thanks to prospective member Jim Minz, sponsored by Dave Neely

If you have moved or have a new contact number, please provide updated details to Lou Schutze or one of the other Officers.

Note from the President:

Over the last few months The Society has been busy hosting many events ie; Archery and Trap shoots along with the Building fund raffle all have been very beneficial for The Society. I would thank all who participated in these events. Over the next few years The Society will be constructing a pole barn and draining the silt pond. These events will help finance both of these.

It's that time of the year that the grounds require attention (weed wacking, mowing) or just anything you see that needs fixing up. New members, prospective members should help out as well. We would like to see the grounds cleaned up for the family picnic.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions. I look forward to seeing you all there.

GC President
Craig
