Or one of the
other Officers.**

Note from the President:

Over the last few months The Society has been busy hosting many events ie; Archery and Trap shoots along with the Building fund raffle all have been very beneficial for The Society. I would thank all who participated in these events. Over the next few years The Society will be constructing a pole barn and draining the silt pond. These events will help finance both of these..

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions. I look forward to seeing you all there.

There will be No December meeting this year as it is Christmas. Merry Christmas to all.

Glen-coe will be hosting WNYTL for two shoots, the dates are as follows December the 2nd and 9th. Help will be needed and appreciated as always.

January is set to be a busy month for the club with Archery and Trap shoots. These functions will help provide funding for the pole barn and the silt pond dredging. Help is needed for these functions members who can participate should contact Mike Matala or Dave Neely for archery. Wayne Grace or Craig Tucker for trap.

GC President
Craig
