***Note from the President:***

Over the last few months The Society has been busy hosting many events ie; Archery and Trap shoots along with the Building fund raffle all have been very beneficial for The Society. I would thank all who participated in these events. Over the next few years The Society will be constructing a pole barn and draining the silt pond. These events will help finance both of these..

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions. I look forward to seeing you all

We will no longer be mailing the News Letter. Look on [Glencoeconservation.com](http://Glencoeconservation.com) for your updates. If you would like to have this letter forwarded to you by mail. You will need to contact Lou Schutze to make special arrangements.

We would like you all to join us at our fishing derby, family picnic. Or other events. It a great way to meet other members.

Hope to see you all there

GC President  
Craig
