Happy Easter!!

**If you have
moved or have
a new contact
number,
please
provide
updated
details to
Board member
Or one of the
other Officers.**

Note from the President:

Thanks to All members who've helped with our Friday night trap shoot. Our shoots help with our finances. There is always plenty of upkeep needed. We are looking for members to help with weed control contact myself or Dave Grace for information.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions.

Come up to the club it is a great way to meet other members. Also please consider donating time to any and all events. Meeting is the last Tuesday of every month 7:30pm start.

At our general meetings the membership have voted in favor of a bylaw change .

Kids for Camp: the first and second visit to camp glencoe will cover costs. the third time it is member responsibility .

There is an ongoing discussion regarding a member in Good Standing
A Member in good standing meets the following requirements:

#1 A dues paying member completing (8) hours of work per year at any club function (for example: Trap Archery, or property maintenance, which includes lawn mowing, snow blowing, weed whacking and or spring cleanup

#2 attends at least two meetings per year.

all work performed must be recorded on the Club's approved Work Hours Sheet and verified by a board officer. if a member does not adhere to this there dues will increase by 25% . Life members, officers and board members and committee chair persons will be determined to be members in good standing. Hardship cases will be determined by the board members and officers present at that meeting.

This is an ongoing discussion that all members should participate in .

Thanks Craig,
