Thanks to All members who've helped with our Friday night trap shoot. Our shoots help with our finances. There is always plenty of upkeep needed. We are looking for members to help with weed control contact myself or Dave Grace for information.

It is important that the membership of the Society have the knowledge of discussions and events therefore, it is highly recommended that you be present at the monthly meetings to discuss these issues and help with solutions.

Come up to the club it is a great way to meet other members. Also please consider donating time to any and all events. Meeting is the last Tuesday of every month 7:30pm start.

Hope to see you all there
